

Greetings all Extraordinary Ministers!

Let me take this time to tell you this is an exciting opportunity for us to begin coordinating our ministry! My husband Chuck and I moved to the OLHC parish about three years ago and since that time we have been made to feel so incredibly welcomed; we appreciate this opportunity to practice our faith and contribute to the parish. Since the birth of our daughter Madeline in February I have taken a bit of a break from the ministry but we felt that I can still offer my services to help with scheduling.

This new schedule format looks a little different but it made things a bit easier for me to list out all of the ministers' names. I also placed an "X" in a space if a minister had indicated they were not available. This should make it easier to find someone to cover your shift if unforeseen conflicts arise. Please let me know if you have any difficulty with this new format.

If you have any scheduling requests for October through December I will be working on that schedule in early September. The best way to reach me is via email [whitetheresam@gmail.com](mailto:whitetheresam@gmail.com) or my home phone 215-657-1919. Many of you have already contacted me with your preferences I really appreciate it. If you have an email address please send it to me (if it is not already listed). I will be meeting with Fr. Janton at some point in the next few weeks to go over any additional responsibilities of coordinating. I would love for all of us to get together for a ministry meeting this Fall so I can put names to faces and we can discuss any concerns we might be facing.

I thank you in advance for your patience and understanding while I step into this role. Summer scheduling can be challenging because of vacations but with your help we'll get through this adjustment period. God bless you and thank you for all that you do in your faith and for our parish.

Sincerely,

Theresa M. White
