Letter from H&S 2010-2011 President

Welcome Summer!

It is with great pleasure and excitement that I assume the role of Home and School President. First, I am most pleased to bring you this e-communication newsletter. This is the work of Paulette Kasmer who will be working with Lisa Motz on publicity. Look for more from publicity—we will be looking for classroom reporters. You have received a save-the-date flyer for our Fall Event. We have begun work on this event and have a great team that will be working over the summer. Anyone interested in working on the event, please contact Chris Krewson or myself. Chris Krewson will be heading up volunteers for next year's programs.

Enjoy your summer and rest up for a fun-filled, busy 2010-2011 school year.

Thanks for your support!

Kris Moore

OLHC 2010 Graduating Class

Art Classes After School (Art Club)

Band

Bridge Club

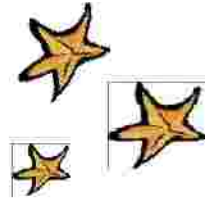

Children's Choir

CYO Sports

Future Cities Engineering Club

Reading Olympic Competition

Student Council

SAVE YOUR LABELS..

OLHC collects Labels for Education and Box Tops for Education during the school year. We hope you will ask friends and family to save participating labels for OLHC during the summer and throughout the year for our school. The class that collects the most labels earns a Free Dress Down Day!

The school earns money to get needed school supplies. Let's reach our goal of \$1000 next year. Start saving now. Thank you for participating in this money saving program.

OLHC CARES PROGRAM

Our school offers an after school program for children enrolled in the school that allows time for homework, snack and recreation in a safe, nurturing atmosphere.

Our goal is to make the CARES program more convenient and family friendly, while maintaining the high quality of the program.

Contact the school office at (215) 887-3067 for more information or email the school secretary, Mrs. Hughes, at schoolsecretary@olhc-parish.org.
