

WEATHER EMERGENCY PROCEDURE

OLHC follows the early closing decisions of the Abington School District

Please listen to KYW Radio 1060 AM for these numbers:

Abington M301

OLHC M410

The information will also be available on the Abington Cable channel and on the school web site.

- If you reside in a school district other than Abington, you still follow the decision of The Abington School District.
- If your school district is open and Abington is closed, Our Lady Help of Christians is closed.
- If your school district is closed and Abington is open, Our Lady Help of Christians is open. You will need to provide transportation to and from Our Lady Help of Christians school.
- If Abington School District announces a "one or two hour late opening" Students will be expected to arrive one or two hours later than usual.
- If school has a late arrival – **No School For The Pre-School Program**

Abington 301

Hatboro/Horsham 313

Lower Moreland 318

Upper Moreland 310

Upper Dublin 311

If early dismissal is called for, our emergency phone system will be activated. You will receive a phone call by way of our School Reach phone system. Please, do not call the school office. We try to keep the line open in order to receive official notice from the school district and bus transportation departments. It is imperative that your emergency numbers are kept current. Any parent taking a child out of school early due to weather conditions is to report to the school office to sign the child out. **CARES is cancelled when there is an early dismissal related to weather or other emergency situations.**
